COMMITTEE DISCUSSION

CN motioned to accept the meeting minutes for April 2010, ED second the motion and the minutes were approved.

Public Participation - Mark Wood of the TAA was present and introduced Doug Schneider who will be the new TAA Field coordinator. Doug will be working with Hayden to communicate the TAA usage on the fields and address any Public Works issues.

Mark mentioned that the TAA was waiting to hear back from the town on the purchase of the Fairmont Fence, Garbage Cans and Storage box. CN will follow-up with Jess Landon for the next steps.

Mark discussed the need for electric power in the Oldwick Shed. The TAA has contacted an electrician to obtain an estimate.

Mark reported that the TAA is looking to build a patio of Bricks off of the back of the Shed. The TAA is looking to fund the purchase and installation of the patio through a fund raiser.

After reviewing the pictures for the proposal and discussing the patio plan CN made a motion to approve the installation of the brick patio behind the shed at the Oldwick fields.

Doug Schneider asked if benches could be provided at the Christie Hoffman fields for the Soccer and Lacrosse fields. The need would be for two 16ft aluminum benches for each field. CN will look into it.

CN Asked about the Parking at Christie Hoffman. It appears that it has been worked out as there have been no recent complaints.

CN solicited coverage for the Movie in the Park nights this summer. CG and ED will cover June 26th, ED and CN will cover July 17th, CN will cover July 31st, August 21st and Sept 1st - CN, CG and ED will all be there.

CN made a motion to close. CG second and the meeting was adjourned at 8:25 PM.

Next meeting date is June 9th, 2010
