Committee Discussion

No Minutes to review.

Public Participation

Paul Klauser, a Boy Scout from Oldwick Troop 199, proposed several service projects to the committee to gauge their interest and receive direction. Paul had met prior to the meeting with Hayden Hall to see what projects the town would be interested in having Paul take on as part of his Eagle project. Several park projects were discussed including building a Kiosk in Hill and Dale park, fixing the parking area in Hill and Dale, Kiosk at the property across from Hill and Dale owned by the New Jersey Conservation Foundation, Painting of the Romtec, Trail restoration, clean-up at parks, GPS mapping of Hill and Dale and repair of GPS signs at Christie Hoffman.

Committee Discussion

After a lengthy discussion the committee requested for Paul to pursue his idea of putting a Kiosk in Hill and Dale, fixing the GPS signs at Christie Hoffman and looking into putting GPS coordinates at Hill and Dale. Paul will look into these items and reach out to Hayden to ensure they are acceptable. He will attend a future meeting to report on his progress.

Committee discussed the lack of Garbage cans at Christie Hoffman. The committee unanimously recommended that garbage cans should continue to be placed at all Sports fields in Tewksbury parks. Additionally, the committee requested that a garbage can be placed at Christie Hoffman at the Kiosk location.

The Committee was informed that Hayden Hull and the DPW will be cleaning up the area near the Kiosk. The Committee will take a look at a later date to determine what should be planted at the location.

The Committee discussed the need for a water spigot to be placed near the electric Panel at the Christie Hoffman park. The spigot needs to have an auto shutoff.

The Schedule for summer movies and volunteers for coordinating the Movie Night was proposed as follows:

July 14th	-	Real Steel	DB and ED
July 21st	-	Classic (TBD)	GD and CG
August 11th	-	Lorax	PM and LS
August 25th	-	Cars 2	DS and team

The movies need to be confirmed for the above dates to comply with Licensing agreements. Final schedule will need to be published.

Meeting was adjourned at 9:15 PM

Next meeting date is scheduled for April 11th, 2012
