**Public Participation**

No Public participation.

**Committee Discussion**

ED reported that Doug Schneider will email movie selections to the committee.

PM and CG walked the Pascal park on Arbor day to review the enclosure. It was determined that in the current condition it is no longer serving its educational value. The feeling was that a larger enclosure would be more useful. A plan needs to be drawn up to create an educational space with proper maintenance.

CG brought the bird checklist from Sheldon Kay. LS will place copies in the Christie Hoffman Park Kiosk.

May 19th the Tewksbury PTA will host a Pascal park walk. PM will bring a copy of the bird checklist to the event.

ED reminded the committee that Baseball Day was May 14th. The Parks Committee will be sponsoring the DJ and entertainment for the event.

ED mentioned that a Patio was installed behind the Oldwick Barn should the group want to stop by and take a look at it.

CG mentioned that DS talked to Hayden Hull of the public works department to identify 3 projects for the girl scout troop project. DS sent the list to the troop and they will select one of the projects.

Meeting was adjourned at 8:15PM

**Next meeting date is June 8th, 2011**
